

# DAWSON HOLMES

---

12221 E Colonial Dr ♦ Orlando, FL 32826 ♦ 772-595-2989 ♦ dawsonholmes@gmail.com  
♦ <https://dawson-portfolio.netlify.app/>

## OBJECTIVE

---

To obtain an internship / work relating to Software Development / Cyber Security / Network Engineering

## EDUCATION

---

<b>University of Central Florida</b> <i>Bachelor of Science in Computer Science</i> Minor: SCAN (Secure Computing and Networks) Major GPA: 3.0	Orlando, FL Current
<b>Indian River State College</b> <i>Associate of Arts Degree</i>	Fort Pierce, FL 2022

## RELEVANT COURSEWORK

---

Senior Design 1 & 2	Object Oriented Programming
Algorithms for Machine Learning	Systems Software

## SOFTWARE EXPERIENCE

---

### Web Application

- Optimized user interfaces regarding web applications using HTML and CSS
- Employed Git to launch applications and help with version control
- Implemented JavaScript to help streamline transference of data within relevant web applications

### Cyber Security

- Employed AWS to build a VPC and successfully launch a web server
- Implemented various encryption algorithms
- Demonstrated efficient decision-making during time-sensitive events
- Proved dependability in solving complex security issues

### Organization and Structuring

- Built multiple fully functioning and efficient computer by hand
- Created and implemented machine-learning algorithms using Python on complex datasets
- Employed complex sorting algorithms to maintain in-place data structures

## WORK EXPERIENCE

---

<b>Wawa</b> <i>Customer Service Associate</i>	2021-current
--	--------------

## SKILL

---

Proficient in Java, Python, HTML, CSS, JavaScript, R      Language: Fluent in English and Intermediate Spanish  
Proficient in Git, AWS, Linux Commands      Proficient in Microsoft Office (Word, Excel, Access, and PowerPoint)
